WHE INSTITUTE! WEO MURDERED HIM I

In a criminal case in an interior city to a or four weeks ago a lawyer made referento the Chipin case in arguing to the jury against circumstantial evidence. Hid or away in the mosty archives of the State Payou are the details of one of the most enricu-The buckwheat busiter from the farm, cases in the criminal records of the State Although it occurred a quarter of a century since, the particulars are remembered by a:

> the old member of the bar. Mr. and Mrs. Chapin were not well made: She was his third wife and he her second hysband. He met her by Chicago, proposed on three days' normalistance, and In a week more they were married. After marriage they discovered each others' faults, and they lived a cut and dog life. She wanted to return to Chingo and he preferred to five on his Michigan farm, and the neighbors were first treated to ber side of the story and then

One May morning Mrs. Chapit called at one of the neighbors and asked to horsely a double-barreled pistol, stating that her husband and gone away for the day, and said she had seen two strange men in the cornfield The weapon was given her, each intrel load ed with ball, and she returned boose. That evening about 9 o'clock, the neighbor who had lessed her the pistol came over to see it her bushand had returned, and found like dead body just inside the gate. He had been shot through the heart and fell dead in his
